No. CA/1998/27865  
G.T. Road, Panipat.

### TO WHOM SO EVER IT MAY CONCERN:

I have personally visited & inspected the site existing school building situated at  
Village Khandra, Tehsil Panipat, Distt. Panipat in the name of  
Sanskriti Public School..... examine the plan & specification of  
building described below:-

Height of roof, the actual material & method used in its construction and the  
finished building & Satisfied.

Work specification of building: First class bricks masonry in cement mortar R.C.C.  
Pillars & Beam, Wooden karris, cement concrete flooring, cement plaster of walls,  
electricity fitting, wooden doors & windows, white washing and painting, water  
& sewerage fitting.

As per my observation & opinion the building is supposed to be safe & stable if  
periodically repaired & maintained where as it does not involve the unnatural  
happening hence certified.

Dated:-

Place:- Panipat.
